Testimonials

WT Rental & Services is proud to be consistently rated five stars by over 125 couples across Google, WeddingWire, The Knot, and Facebook. We are grateful for the trust our clients place in us and look forward to being your go-to rental provider for your celebration.

“We used WT rental for our wedding last weekend. I can’t say enough good things about Taylor and his company. He worked with our budget, was knowledgeable about set up and his equipment, his equipment was pristine and in excellent condition. He was on time and professional, and dedicated to his business. What I loved most about WT rental was Taylor’s confidence in planning, and his patience and calmness in communicating with me while I was in the middle of the chaos of planning my wedding. If you’re looking for equipment rental for an event, go with WT Rental, you won’t be disappointed!!!”

- Lisa from Killingworth, CT

“My experience with WT Rental was nothing short of exceptional. I recently threw a bridal shower for my best friend. I rented the tables, chairs, linens and various other party supplies such as drink dispensers and an inflatable cooler. Everything arrived in pristine condition and was set up for me, which was a huge help! A few days before the event, the weather did not look like it was going to be favorable for an outdoor event. Taylor made a special trip just days before the event to come set up 3 separate tents. His flexibility and willingness to help was outstanding. Overall, my experience was hands down 5 out of 5 stars. Taylor made it possible for me to give my best friend

the perfect bridal shower, and I am truly grateful for that! I most definitely will be recommending this service to friends and family and will use them again in the future!”

- Corrine from East Hampton, CT

“Great service, flexible pickup & drop off, quality products, & extreme value! Consider WT Rentals for events such as birthday parties & holiday parties... not just weddings & large-scale gatherings.
- Jenilee from Marlborough, CT

“WT Rental and Services, LLC exceeded my expectations with the excellent, professional service provided, accuracy with the color choices, value and product quality. The next time I need rental items for a party, I won't hesitate to use them again. Thanks Taylor!”

- Jennifer from Glastonbury, CT

“When it comes to event rentals, WT Rental is hands down one of the best company's to work with. My wife and I used them for our wedding and they were able to provide everything we needed, in the highest quality and best prices around. Taylor, the owner, was very easy to work with and was able to accommodate all of our needs. We were continuously altering our order and when the day finally came we had exactly what we asked for exactly when we needed it. I would highly recommend WT Rental to anyone looking for a high quality rental experience and we will certainly be using them exclusively for all of our future needs!”
